

**Journal**

**Office of Legislative Counsel**

**Friday - 2 May 1958**

1. Visited with Mr. James Juliana, Chief Counsel to Minority, Senate Permanent Subcommittee on Investigations, Government Operations Committee, to discuss the [redacted] case. He indicated that Senator Karl E. Mundt was personally interested in the case and he wished to be able to make a complete report. I discussed the case with him for approximately two hours giving him a minimum of classified information and labeling each piece that was classified. In addition he was furnished with a profile of [redacted]

[redacted]

Misc. ✓  
2. Met with Mr. Lawrence Sullivan, Coordinator of Information of the House of Representatives and delivered to him a letter addressed to the Coordinator of Information, Washington, D. C., which had been marked by the post office to the Office of Strategic Services. He thanked us very much for delivering it to him and had no concern that it had been inadvertently opened.

[redacted]

4. Senator Wayne Morse's office called to request that they be sent four copies of the world map measuring 3 by 4 feet. They were very pleased with the one delivered to them a few weeks ago and desired these additional copies for the Senator's use.
